

# SC5020-DF

PLATE TYPE  
DRINKING FOUNTAIN  
CARRIER

LOCATION: \_\_\_\_\_

## Specification & Function

**Specification:** SUN® SC5020-DF universal plate type carrier with adjustable top support plate. Complete with coated rectangular steel uprights with welded feet and mounting hardware.

**Function:** Used to support wall hung fixtures so that the load bearing carrier is concealed within the wall.

Recommend all feet to be secured to floor with 1/2" bolt and anchors supplied by others.

### ROUGHING-IN TABLE
